NENS STIPENDS for Training Stays

Closing Date for Applications: 15 October 2010

Federation of European Neuroscience Societies

Are you a student at a NENS programme and would like to gain international experience?

After its successful launch in 2007 NENS in cooperation with FENS is pleased to announce its call for applications in 2009/2010 for its trans-European NENS exchange programme.

Stipends will cover travel and accommodation costs of up to 1000 Euros.

The stipends are intended for **Master and early PhD students registered within NENS member schools or programmes**. Applicants are expected to spend a **period of one to three months at a NENS member school of their choice in a different European country**.

Candidates should either conduct an individually arranged internship at a NENS lab or take part in organised courses offered by NENS programmes in order to gain further **methodological training** relevant to their research projects.
