neuroscientists all over the world**

Go to the website for information and put the dates July 3-7, 2010 in your agenda!

Receive regular information by an 'empty' e-mail to info@fensforum2010.eu.

A few good reasons to be at FENS Forum 2010

State-of-the art scientific program

Important keynote lectures by leading neuroscientists

Quality parallel sessions

Your poster presented in a lively twice daily session

Several special lectures and socials

Meeting size "large for quality, not too small for exchange"

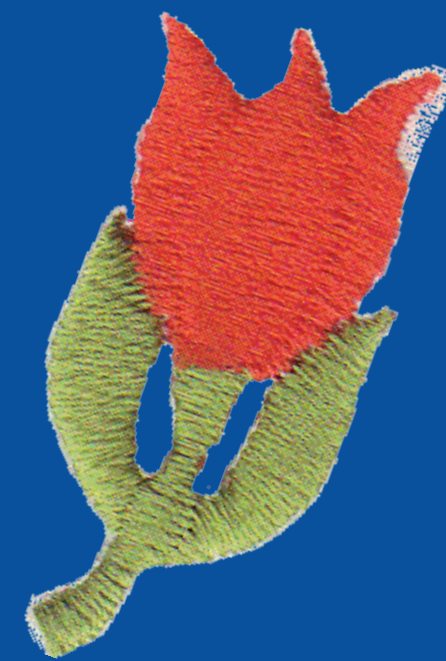

Up-to-date RAI Conference Centre

Frequent air connections to Amsterdam Schiphol Airport

Free transportation in the city

Fantastic student party "Jump the FENS"

Visit to Amsterdam, a dynamic cultural and touristic city

NeuroFederation
