CALL FOR ABSTRACTS

The Society of Neuroscientists of Africa (SONA) invites submission of abstracts for the 15th Biennial Conference and 4th Meeting of the Ghana Neuroscience Society (GNS) from the 25th to 28th of April 2021 in Accra, Ghana.

Theme: Neurological disease in contemporary Africa.

The three-day meeting is an opportunity to share your research to over 300 basic scientists and clinicians from across Africa and all parts of the world. It will feature pre- and post-conference workshops, symposia, plenary lectures, oral and poster presentations, exhibitions and an opportunity to know Ghana. We welcome abstracts under the following categories:

- Neurodevelopmental and neurodegenerative disease
- Neurological manifestations of infectious disease
- Socio-cultural practices and neurodevelopmental/neurodegenerative disease
- Environmental enrichment, neurotoxicity and neuroplasticity
- Drug discovery for neurological diseases
- Others (If it does not fit into any of the above)

REGISTRATION FOR THE CONFERENCE IS MANDATORY BEFORE SUBMISSION OF ABSTRACT.

Conference Website: https://sonafrica.org/conferences-events/

A clear and concise abstract of maximum of 300 words in English with the following:

- A title (formatted in sentence case and maximum of 20 words)
- Authors (Surname, Other names) and Institutional affiliations for each author
- Main abstract body under the following headings: Background/Aim, Methods, Results and Conclusion
- Presenting author and Email address
- Indicate the subtheme

Submit your abstracts electronically to ghneuroscience@gmail.com and gns@ug.edu.gh

Incomplete submissions will not be reviewed.

Important dates

- December 31, 2020: Deadline for submitting abstracts
- January 15, 2021: The last date for notification of acceptance of abstract

Abstracts will be peer-reviewed and acceptance for oral and poster presentations will be based on topic, quality, content and overall program balance.

Members of the Scientific Committee
1. Professor Samuel B KOMBIAN (Chair) (kombian@hsc.edu.kw)
2. Dr. Augustina CHARWEY-FELLI (acharway@gmail.com)
3. Dr. Albert AKPALU (a_akpalu@yahoo.com)
4. Dr. Patrick AMOATENG (pamoateng@ug.edu.gz)
5. Co-opted SONA members

Share this call with your colleagues and students in neuropharmacology, neuroanatomy, neurophysiology, clinical neuroscience, psychology, psychiatry, neurology, neurosurgery and all other neuroscience-related disciplines.
