CONNECTING EUROPEAN NEUROSCIENCE

With 42 neuroscience member societies across 32 European countries, FENS represents close to 23,000 European neuroscientists with a mission to advance European neuroscience.
What are FENS main activities?

- **Meetings**
  FENS Forum, FFRM, Brain Conferences, and other events.

- **Higher education and training**
  Summer & Winter Schools, CAJAL training courses, Network of European Neuroscience Schools (NENS), FENS-KAVLI Network of Excellence.

- **European Journal of Neuroscience (EJN)**
  FENS official journal. It publishes papers on a wide range of topics.

- **Outreach and Advocacy**
  Brain Awareness Week. Committee on animal research (CARE), Global Advocacy Programme, and FENS-SfN Advocacy Grants Programme.

- **Member societies**
  Full package of services for all of its national societies members from basic to clinical research.
FENS FORUM: STATE-OF-THE-ART IN NEUROSCIENCE

Europe’s largest international neuroscience meeting
2016 – Copenhagen, 2 – 6 July

Join and take part in:
• Special interest groups, posters
• Social events, with 7,000 attendees (in 2012)
• Technical workshops, symposia and plenaries
