The CAJAL
Advanced Neuroscience Training Programme

Course Programme 2016

**Behaviour and neural systems**
10-31 July, Champalimaud Foundation
Course directors:
- Florian Engert (Harvard, US)
- Adam Kampff (UCL, UK)
- Zach Mainen (Champalimaud Foundation, PT)

**Neuronal cell biology - cytoskeleton and trafficking**
10-31 July, Bordeaux Neurocampus
Course directors:
- Casper Hoogenraad (Utrecht University, NL)
- Monica Sousa (University of Porto, PT)
- Olivier Thoumine (University of Bordeaux, FR)

**Advanced course in computational neuroscience**
7-27 August, Champalimaud Foundation
Course directors:
- Máté Lengyel (Cambridge University, UK)
- Gilles Laurent (MPI Frankfurt, DE)
- Christian Machens (Champalimaud Foundation, PT)

**Nutrition and brain functions**
19 September – 7 October, Bordeaux Neurocampus
Course directors:
- Sophie Layé (University of Bordeaux, FR)
- Richard P. Bazinet (University of Toronto, CA)

**Hippocampus from circuits to cognition**
10-31 October, Bordeaux Neurocampus
Course directors:
- Jozsef Csicsvari (Institute of Science and Technology, AT)
- Charan Ranganath (University of California, US)
- Christophe Mulle (University of Bordeaux, FR)
- Mario Carta (University of Bordeaux, FR)

**The CAJAL-ISN course on glial cells in health and disease**
27 November – 10 December, Bordeaux Neurocampus
Course directors:
- Ismael Galve-Roperh (Complutense University, ES)
- Serge Nataf (University of Lyon, FR)
- Frank Kirchhoff (University of Saarland, DE)
- Stephane Oliet (University of Bordeaux, FR)
