

Special Interest Event: **Start your lab II** (workshop, preregistration required)

July 10th 2018, 18:45-20:15
FENS Forum 2018, Berlin, Germany

The workshop is organised as parallel round tables chaired by FENS-Kavli Scholars, corresponding to the topics addressed during the Start your lab I/plenary session, and one table for “other topics”.

! The workshop is limited to 50 participants. No registration fee envisioned. Priority in selection will be given to postdocs and recently appointed PI. Pre-registration and selection required.

Submit via this link your application to attend the workshop. **Application deadline: 25 May 2018.**
