

RNA Mechanisms and Brain Disease

The Brain Conferences 2021

October 20-23, 2021

Rungstedgaard, North Copenhagen, Denmark

The morphology and complexity of neurons provides unique challenges for the maintenance and modification of the neuronal transcriptome and proteome in the cell body and at synapses. In this meeting, we will explore how neurons regulate RNA molecules and protein synthesis and how these mechanisms represent vulnerabilities for various neurological diseases.

The list of speakers and the preliminary programme are available on the Brain conference website.

► **Travel to Denmark**

Countries and regions around the world are classified into four categories: green, yellow, orange and red. The colour codes determine the rules that must be observed to enter Denmark. The colours of countries and regions are revised on a weekly basis. This website will also be useful to better understand the current travel restrictions:

You can easily reach the conference location: there are [direct trains](#), every 20 minutes, from the **Copenhagen central airport (Kastrup)** to **Runsted Kyst station**, which is 1,6 Km distance from the conference venues/Rungstedgaard.

3 direct trains are available every hour, from the Copenhagen central airport (CPH) to Rungsted Kystst as per the following

How to reach Rungstedgaard from the Copenhagen central airport (CPH Kastrup)?

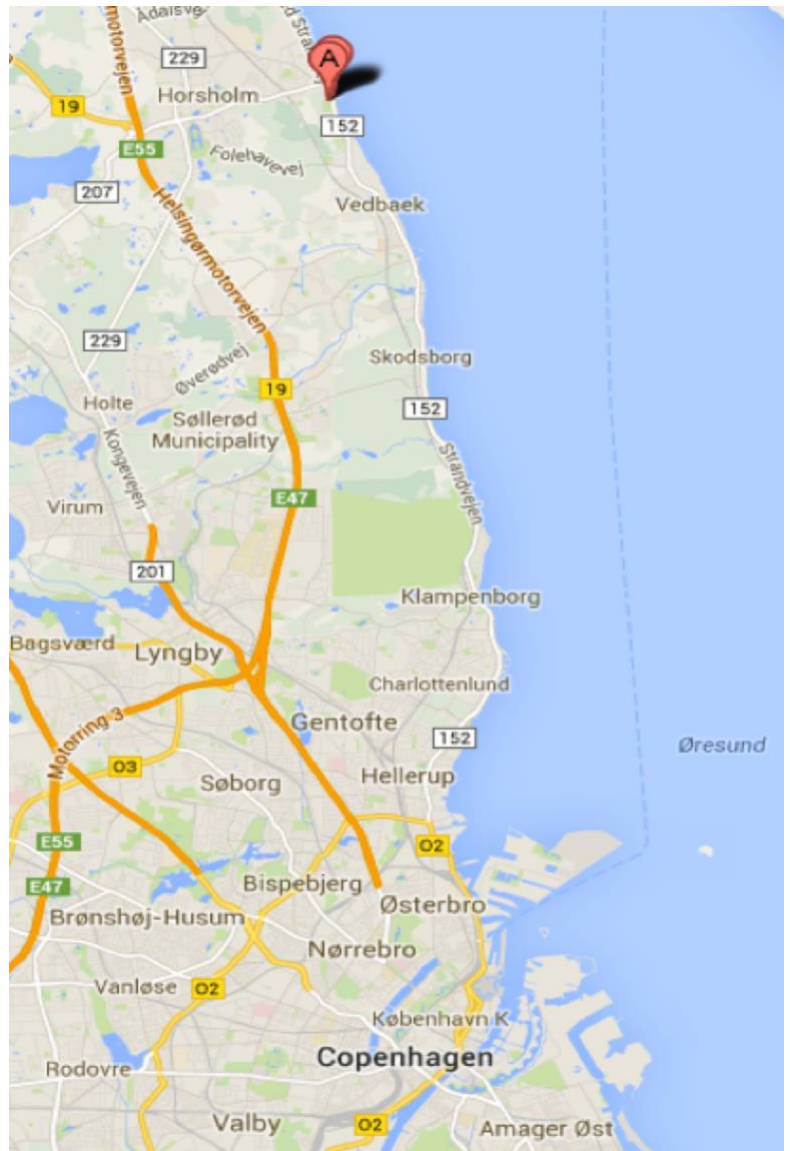

The best way to reach the conference location from **Copenhagen airport** is to take a train from the Airport train station to the station: **Rungsted Kyst st.**

Direct connections are available every 20 minutes (see below for examples) with duration of 50 minutes. Please be aware that some trains are not direct one – chose the ones with “**0 Changes**”.

Train tickets can be bought at the airport.

The ticket office is located in Terminal 3 above the railway station. There are lifts and elevators between the platforms and Terminal 3. The duration of the train trip is about 40 minutes. The price of a train ticket is 84 DKK (approx. 11 EUR).

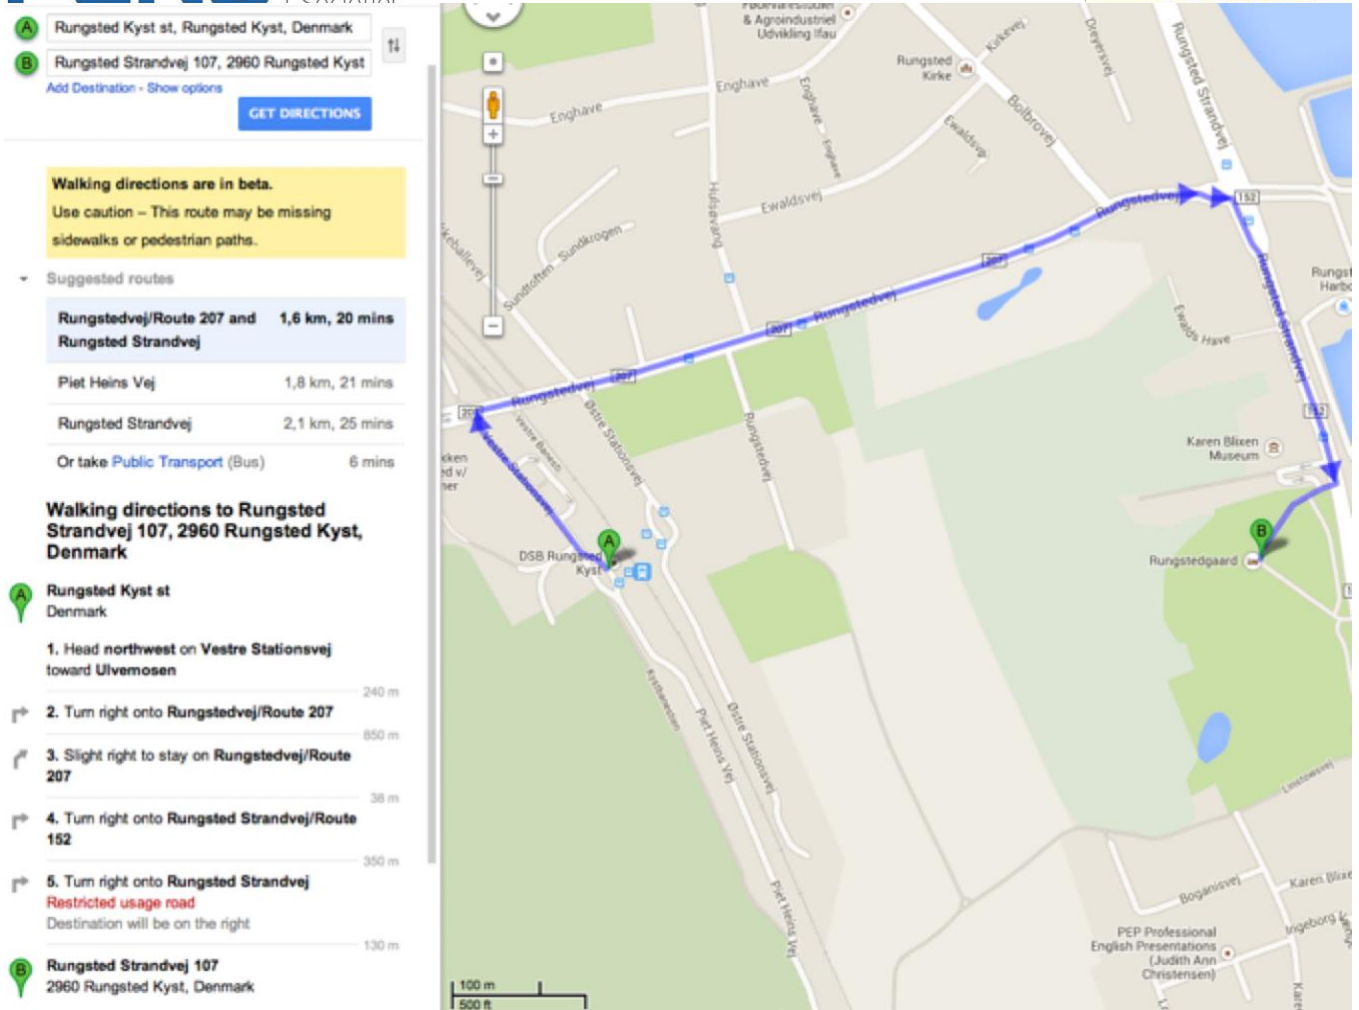

You can take the free shuttle bus, which runs between Terminal 1 and Terminal 3, where the station is located. The bus journey lasts about 5 minutes.

algorithm:

Xx:04 (hour:minutes) xx:24 (hour:minutes) xx:44 (hour:minutes)

! Avoid taking a taxi instead of a direct train; the prices are very expensive and the trip takes the same amount of time.

The Conference Center is about 20 minutes' walk from the train station (1.6 kilometres, see below map).
