L. Young

The Conference will focus on how the brain implements social interactions and how these affect the brain, in humans and in animals.

Conference size: 150 participants

Some of the abstracts will be selected for short talk presentation. All participants will have the opportunity to present their work at one of the poster sessions.

Registration deadline: **July 25, 2014**

Early registration deadline: **July 9, 2014**
